DIY ARENA SCHEDULE

Saturday, August 13th

11:30am – Fermentation Farm To Bottle: Hot Sauce, by Jennifer Harris of Farm to Fermentation

Removing the mystery and intimidation. This hands-on workshop offers an easy step-by-step process. Kits will also be available to take home.

1:00pm – Canning Apple Sauce, by Jennifer Branham of Laguna Farm

2:30pm – Felting Soap, by Amy Chestnut of Sonoma Wool Company

Amy will use a little bit of soap and water to magically transform wool fibers into cloth! Helping folks make their very own home-made Scrubbly, to use in your bath or shower!

4:00pm – Summer Compote: A 100% Local Floral Design Centerpiece, by Daniele Allion Strawn of Chica Bloom Farm

DIY ARENA SCHEDULE

Sunday, August 14th

11:30am - Herbal Medicine making for the 21st Century, by Trinity Ava & Colleen Bingham of CA School of Herbal Studies
Wildcrafting, tinctures and aromatherapy. Trinity Ava has been teaching at the CSHS over the last 15 years, specializing in homemade remedies.

1:00pm - Cheese Making: Creme de Ricotta, by Sheana Davis of The Epicurean Connection

2:30pm - Home Cider-Making, by Scott Heath of Tilted Shed Cider works

4:00pm - The Wonderful World of Worms, by Jennifer Roberts of UC Master Gardeners

Learn the basics of putting together a worm box that can turn your food waste into garden gold. Compost is filled with nutrients that plants need and it helps them retain water. Worms make some of the richest compost available. From veggie beds to perennials to fruit trees, everyone needs compost. This simple act can also reduce your carbon foot print. Bring your questions and let's get started!
